Education

2001	Ph.D., Department of Molecular Genetics, University of Illinois at Chicago, Chicago, USA

Research and Professional Positions Held in Chronological Sequence

2002-2005	Postdoctoral Fellow, Department of Pharmacology, University of California, San Diego, USA
2005-2007	Assistant Research Scientist, Department of Pharmacology, University of California, San Diego, USA
2007-2014	Assistant Professor, Graduate Institute of Molecular Medicine, National Taiwan University, Taiwan
2014-2022	Associate Professor, Institute of Molecular Medicine, College of Medicine, National Taiwan University, Taiwan
2022-present	Professor, Institute of Molecular Medicine, College of Medicine, National Taiwan University, Taiwan
2022-present	Professor/Director, Graduate Institute of Immunology, College of Medicine, National Taiwan University

Research Interests

1. Regulatory mechanisms of inflammatory responses and inflammatory cell deaths
2. Crosstalk between innate and adaptive immunity

Major Honors and Awards

2002-2005	Postdoctoral Fellowship, Cancer Research Institute, USA
2005-2008	Career Development Award, Crohn's & Colitis Foundation of America, USA
2012	Young Scientist Award, The Tien Te Lee Biomedical Foundation
2013	IUIS - Bill and Melinda GATES Foundation Travel Awards for Young Immunologists from Developing Countries
2018	The 16th Science paper award, The Far Eastern Y. Z. Hsu Science and Technology Memorial Foundation
2021	The outstanding immunology scholar award, The Chinese Society of Immunology, Taiwan
2022	The outstanding research award of MOST
